**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My husband is a disabled veteran with a brain injury, dementia, and epilepsy and we are on a fixed income. We use Socket Internet in Columbia, Missouri to save money. Local cable providers are too high in price and we just use DSL from a local company and stream TV on our TV instead of paying high prices for cable. We are dependent on the internet at the price it is for TV, Online bill pay, Staying in touch with my husband's Veteran Dr's and ordering his medications, staying in touch with family, and more. If this price hike goes through, we will be forced to go without internet or TV.
